

LOOK
BEFORE YOU L**CK**

**"MOMMY AND DADDY
THINK I AM AT DAYCARE"**

**OVER THE LAST TWO DECADES, OVER 750 CHILDREN HAVE DIED
IN THE U.S. FROM BEING LEFT UNATTENDED IN HOT CARS.**

LEAVING A CHILD ALONE IN A CAR CAN QUICKLY LEAD TO HEAT STROKE AND DEATH.

- * **NEVER** leave your child alone in a car, not even for a minute
- * **KEEP** your car locked when you are not in it
- * **CREATE** reminders by putting something in the back seat next to your child, such as a briefcase, purse, cell phone or your left shoe
- * **IF** you see a child alone in a car, call 911
- * **SET** a calendar reminder on your electronic device to make sure you dropped your child off at daycare; develop a plan so you will be alerted if your child is late or a no-show
